A portion of the proceeds of this capital call will be used for the Fund's acquisition of X Ray, a high-growth, regulated natural gas utility based in Texas. X Ray provides essential, natural gas service to more than 20,000 customers. Invent M7 sourced this investment on a bilateral basis and intends to continue scaling and professionalizing the company.

The Fund's investment in X Ray is structured as preferred equity, which provides significant downside protection and materially enhances its risk-adjusted return potential. Invent M7's total equity commitment for its investment in X Ray is \$65 million, which includes an initial investment of \$50 million to acquire the company, as well as an anticipated \$15 million for future growth capex.
